

Welcome to the July Out andABOUTS....

And a little bit of newsletter too.

Show Jumping Show

This turned out to be a super day. The weather stayed dry for the most part and plenty of horses and riders came along for some good competition over our club jumps. Steven built some fairly technical tracks but there were still plenty of good rounds and combinations making it through to some exciting jump-offs. Our members did us proud as you can see from the results below. The atmosphere was really friendly and welcoming too, a member was heard to say *"It's always like this, you should join the best club"* to a friend who was there competing. Yeah we are! Thanks to everyone for turning out, Jess and Steven for judging and course building, Kate, Kate, Aimee and Victoria for stewarding, Alan for directing the traffic (and coaching Sheona to one of the best rounds I've ever seen Santa jump- this month he's trying to convince her he's a show jumper!) and the gang of people who've been tetras-ing the jumps on and off the trailer. If I've missed you out I'm sorry, let me know and I'll put it in next month!

Dressage Weekend/ Area qualifiers

I've a horrible feeling our showcase event will have past before this makes print and you'll be reading hindsight. However I'm sure all members would join me in wishing all involved the very best. Hopefully the weather will be kind and we'll enjoy two really fantastic days of competition. The work that has gone on behind the scenes should dictate that this is so. Good luck to our teams and individuals competing and a special personal thanks to Madge and Irene for standing in for me at last minute (no it's not Yashi pulling out this time, I'm on swine flu

alert and stuck at work!). Full report from the show in the next news letter.

Annual Working Hunter/ Showing Show

Hopefully by now everyone will have had a chance to look at the schedule for our upcoming showing extravaganza at Greenfields on the 2nd August. What a line up! If you're not competing, try and pop down for a look. If we're blessed with the same glorious weather we had last year it should be quite the event and a good day out. And if you feel like lending a hand whilst you are there...!

Schooling

Kim co-ordinated our first schooling session over the club jumps on grass at West Kype with Andrew Wilson this month. What a great night everyone had. The ground was perfect after the earlier downpour and the sun was shining on the rain-filled water tray...which actually didn't cause too many problems! I'd borrowed a horse in a great hurry at the last minute (thanks Claire) to make up numbers and can honestly say had one of the best lessons I've had in ages (sorry Yashi!). I'd absolutely recommend trying to fit an outdoor lesson in before the (whisper) summer ends! Thanks again to Linda Anderson for offering us her field free of charge and for making us feel so welcome. Remember the show jumping field is open to club members to use at any time, just call Linda or Andrew first to check availability. **Andrew** is back training at West Kype **12th Aug**. If you prefer a surface, **Pauline McKee** is booked for **Aug 5th**. As always contact Kim if you want a space.

Kim is using a new mobile. The number for schooling is 07818 552335

Area 1 Reports

Area 1 Show and Style Jumping at Biggar Show Field

Polnoon sent out Style and Intermediate Show Jumping teams to this event. With much less drama than last year both put in good performances and both finished 5th in tough competition. Well done to the Intermediate team of **Elizabeth Brown and Matylda, Jayne Frost and Ramon, Suzy Reid and Dramatiste and Gregor Wilson and Angela Mclean's Ventreus.**

Elizabeth and Tilda were placed 6th individual in the style jumping, and she, Jayne and Suzy were joined by Nicky Suckle and Mr Rochester to make up the 5th place style jumping team.

Well done everyone!

Area 1 Horse Trials at Greenfields

Team Report by Yashi

I can't believe they sneaked that one up on me! I wasn't expecting a thing, I don't seem to go to many parties these days. In fact I have convinced myself that I must be like fellow TB Kauto Star and only go to the very best! On sat morning, very early, mum had appeared and taken me for a very quick canter (the best kind) flapped on about some wedding and getting her hair and makeup done and vanished for the rest of the day. No sign of her the next morning, so I was a bit taken back when my aunty-with-all-the-rugs brought me in from the field and set about giving me a make over. Oh-Oh. Plaits. What was the chance I was going hunting in July? Ugh, got to be boring, pointless dressage. Don't know why I allowed myself to be loaded! Got to venue and was cheered to see some cross country fences. Hooray, a one day event! I'd forgotten about those. Saw my old friend Tommy and guessed it must be one of those team things. Wonder if we'll all get to go to that massive party again? That was fun, except for the mud! So anyway got the boring part out of the way. I don't think mum was too pleased with me, but at least I wasn't trying to jump out of the arena this time. Tommy did very well, show off, so did that lovely grey Tilda. Copper was good too, perhaps I should pull my socks up a bit! So on to the show jumping. Tilda went in before me and jumped a beautiful clear round. Mum's not taken me jumping for absolutely ages, so I was a bit wild when it was my turn, deciding to try and redeem my dressage by taking off miles in front of the fences and going for the fastest round of the day. Unfortunately in my hurry I knocked one down and then got a bit confused when mum seemed to go to sleep and stop riding to the last fence. I wasn't sure if she wanted me to jump it so stopped to make sure. Turns out she did, so I popped it obligingly next time. Oh dear, not in good books. As I angelically left the ring I decided to dare Tommy who was next to stop at the viaduct fence so that it wasn't just me in trouble. He did. Poor Tommy, I can count on one hoof the amount of times he has had a stop jumping, but he always does what I tell him! Then Copper and his mum got a bit lost and took a small detour on the way round but otherwise jumped really well so we all got ready for the cross country. It was a really great course and I'll admit it was worth the makeover! Tilda and Elizabeth set off first again, jumped a clear round and went on to finish 4th over all individually. Well done to Tilda, she's a superstar, especially for a youngster. Then it was my turn. I had a great round, even if I do say so myself. Had to stop to inspect both water splashes (I'm sorry, I'm not a sea horse and I know mum is a good swimmer but I've never tried!) but mum forgave me as we had so much fun on the rest of the course. Tommy and his mum, Kirstie MacGillvary, jumped clear as always and so did super Copper! It was his and his mum Shirley Craig's first team ODE, they did a terrific job. As a team overall we finished 3rd, so no big parties for us but a good day had by all and two smart yellow rosettes each to take home.

But the best day I have to admit was had by **Ramon** and his mum, **Jayne Frost**. They **WON** the individual intermediate on their dressage score and are now Off to Church or something like that to do a proper three day event, with a steeplechase and everything. Might be worth trying a bit harder next year to get a chance to do that! I hear Ramon's fitness plan has been stepped right up, he might even be coming over to my farm to go cantering with me. Don't worry, I'll wait for him! Anyway huge congratulations to both him and his mum, and good luck for the BRC finals. I'll see if I can hand my journalistic duty over to Ramon for the next news letter and he can let you all know how he got on.

Everything to play for!

No final winners have been confirmed in any class as of yet, it's all down to round four! Alison Smith and William (on 10 points over 2 rounds) could snatch victory from Susan Grey and McCoist (15 over 3) in the Marksman. The Idyll Art is hotly contested by John McIntyre and Calamanco (13 over 3), Nicky Suckle and Mr Rochester (10 over 3), Jennifer Osborne and Darkest Dream (7 over 2) and Gillian Beattie (7 over 2). John and Calamanco are on the nose favourites to take the Shand and are on 16 after 3 rounds, but could have it snatched by a victory from Linda Smith and Corrie, who are sitting on 11 after just 2 rounds. We look forward to an exciting evening of jumping.

On behalf of all the members who have enjoyed this year's tournament thanks again to Jess Tynard and Ellen Lennox for judging, Steven Cowan for course building and Pat, Thelma, Aimee, Linda, Sheona for stewarding. We cannot run these things without our helpers and we are very grateful for all the hard work that goes in to making them a success.

OUT & ABOUT

If you have any results you would like added to 'Out & About', please let Sheona or Clare have details of them. Sheona does try to take a note of any club members' successes which she sees but even she cannot be at every event (although this time I'm not so sure!). If I'm getting your or your horses name wrong please let me know and I'll fix it! Some things get lost in translation...!
