Bent Jensen and Liberty Light win the Grand Prix and FEI High Score at the Gold Coast Fall Fling in Wellington

For more than 20 years, Bent Jensen's name has been synonymous with upper level dressage in Europe and the United States. He competed as an Olympian on the Danish Team in Barcelona and has made his mark in the Grand Prix dressage world with a string of successes in CDIs from New England to Florida.

All Levels of Riders and Horses are Encouraged!

Bent emphasizes relaxed, correct training for both horse and rider. He uses gymnastics designed to achieve many goals, putting the horse and rider in just the right position to improve the horse's straightness, rhythm and quality of gaits. Bent also has a gift for explaining concepts to horses while in the saddle, ideas that continue when the rider is back up on their own horse - an improvement that they take home with them.
