Learn to BELLY DANCE. This is a form of fitness which is actually fun to do and helps you be aware of your body, which helps you when you are riding.

Information about the British Riding Club side of French Creek Dressage Association will be available along with handouts explaining the courses, examinations and competitions available.

Remember FCDA is the ONLY club in America affiliated with the British Riding Clubs.

Please wear jingly jangly clothing and jewelry to help emphasize the movement of the belly dancing. Snacks would be appreciated. Drinks will be provided.

Please RSVP Leigh at 610-385-9106 by Sunday 25th January.
